- 2019 INFORMS Auction Cluster; Southern Economic Association Meetings  
2018 INFORMS Auction Cluster; Georgia Institute of Technology  
2017 INFORMS Auction Cluster  
2016 University of North Carolina, Chapel Hill; Workshop on Auction Design (University of Vienna); INFORMS Auction Cluster  
2015 University of Maryland, College Park; Davidson College; Wake Forest University; Midwest Economic Theory; INFORMS Auction Cluster

2014 Econometric Society North American Summer Meetings; Midwest Economic Theory; Southern Economic Association Meetings  
 2012 North Carolina State University; Federal Trade Commission, Kansas Workshop on Economic Theory; Wake Forest University; Compass Lexecon; The Brattle Group  
 2011 North American Economic Science Association

**AWARDS & SCHOLARSHIPS**

- Roger and Alicia Betancourt Fellowship in Applied Economics 2011
- NSF Fellow at the Lindau Meetings of Nobel Laureates in Economic Science 2011
- Graduate Assistantship 2007 – 2012
- Frank W. Taussig Award 2005
- Olin Prize for Economics 2004

**TEACHING EXPERIENCE**

**Georgia Tech**  
 Microeconomics II (PhD); Game Theory; Economics of Strategy and Information  
**Wake Forest University**  
 Intermediate Microeconomics I and II; Optimization Techniques in Economics; Advanced Topics in Mathematical Economics; Market Design; Game Theory  
**University of Maryland, College Park**  
 Methods and Tools of Economic Analysis; Principals of Economics

**OTHER WORK EXPERIENCE**

**Power Auctions**, Washington D.C., Consultant 2009 – 2012  
**University of Maryland**, College Park, Maryland, Graduate Assistant 2007 – 2012  
**Burns & Associates**, Washington D.C., Consultant 2006 – 2007  
**EP&P Consulting**, Washington D.C., Consultant 2004 – 2006

**PERSONAL INFORMATION**

- Citizenship: U.S.
- Gender: Male
