Praise for the book:

“[The] first comprehensive study of the legislation of the past... An indispensable handbook of an important European phenomenon” (Timothy Snyder, Yale University)

“[N]o one interested in memory laws should overlook this detailed, wide-ranging, and engaging book” (Karel C. Berkhoff, NIOD Institute for War, Holocaust and Genocide Studies)

“Essential reading for anyone interested in the varied components that constitute modern historical understandings of the past” (Gabrielle Spiegel, The Johns Hopkins University)

“A field-defining classic” (Mischa Gabowitsch, Einstein Forum, Potsdam)

“Sober, nuanced, and international in scope...” (Anson Rabinbach, Princeton University)

“Masterful... Ground-breaking, thorough, illuminating, and compelling... [An] extraordinary work...” (Ronald Grigor Suny, University of Michigan)

“A noteworthy study that informs our thinking on the ways in which shifts in perceptions of the past can affect the law” (Jan Grabowski, University of Ottawa)

“An important book for understanding the relation of collective memory and nationalism” (Elazar Barkan, Columbia University)

“A challenging book on a new and unfamiliar topic. It deserves to be widely read” (Erik Jones, The Johns Hopkins University)

“[A] compelling, encyclopedic history of the regulation of historical memory in Europe” (Reuel Schiller, University of California Hastings College of Law)

“A sweeping and thorough study... A model of comparative history” (Kathleen Smith, Georgetown University)

“The first, and very rich, comprehensive analysis of memory laws in Eastern Europe and Russia” (Anita Walke, Washington University in St. Louis)

“Fascinating and detailed account of West and East European memory laws” (Ian Cram, Leeds University)

“A deeply researched, nuanced, and rich work” (Douglas Smith, writer)
